

Serial No. 10/521,943 12  
Docket No. PTGF-04078US  
(HIR.135)

**REMARKS**

Applicants concurrently file herewith a Request for Continued Examination (RCE) and the corresponding RCE fee.

Claims 1-29, 34, and 36-39 are all of the claims presently pending in the application.

Applicants have added claim 39 to provide more varied protection for the claimed invention.

Applicants have added new claim 39 to claim an additional feature of the invention and to provide more varied protection for the claimed invention. This claim is independently patentable because of the novel and nonobvious features recited therein.

Applicants submit that new claim 39 is patentable over the cited prior art references at least for analogous reasons to those previously set forth with respect to claims 1-29, 34, and 36-38.

In view of the foregoing, Applicants submit that claims 1-29, 34, and 36-39, all of the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. Applicants respectfully request the Examiner to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, Applicants requests the Examiner to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview.
